

Your Health Plan Checklist

See what the Choice Plus Plan with a Health Savings Account (HSA) has to offer.

Run the Numbers

You might find that you could save money with the UnitedHealthcare Choice Plus Plan with a Health Savings Account. Add up your health care expenses from last year (premium payments, deductible, co-payments and out-of-pocket costs) and compare them to this plan. Don't forget to include any HSA contributions from your employer (if it contributes).

Find Your Doctor

If you currently have a doctor, use the doctor search tool at welcometouhc.com to make sure he or she is part of the Choice Plus network.

Review the Benefits

Review your benefit plan documents to understand what is covered and the level of coverage.

Learn About Tools and Services

There are many easy-to-use tools and services designed to help you make good decisions and save money. These include the UnitedHealthcare Premium[®] designation program, myHealthcare Cost Estimator, myClaims Manager and the UnitedHealthcare Health4Me[™] mobile app.

Choose Your Bank

More than one million people have chosen Optum Bank,SM member FDIC, as their HSA bank. Only Optum Bank gives you the convenience of banking through your plan website, myuhc.com[®].

Transition Your Prescriptions

If you use mail-order service for your prescriptions, you may need to restart it with this plan because your prescriptions may not automatically transition from your current plan. See your benefit plan documents for details.

Ask About Transition of Care

If you are pregnant or receiving other treatment from a doctor who is not in our network, contact UnitedHealthcare to see if you are eligible for transition of care.

Questions?

For more information, visit welcometouhc.com.

Insurance coverage provided by or through UnitedHealthcare Insurance Company or its affiliates. Administrative services provided by United HealthCare Services, Inc. or their affiliates.

The UnitedHealthcare plan with a health savings account (HSA) is a high-deductible health plan that is designed to comply with IRS requirements so eligible enrollees may open a health savings account (HSA) with a bank of their choice or through Optum Bank, member FDIC.

All UnitedHealthcare members can access a cost estimator online tool. Depending on your specific benefit plan and the ZIP code that is entered, either the myHealthcare Cost Estimator, or the Treatment Cost Estimator will be available. A mobile version of myHealthcare Cost Estimator is available, and additional ZIP codes and procedures will be added soon. This tool is not intended to be a guarantee of your costs or benefits. Your actual costs and/or benefits may vary. When accessing the tool, please refer to the Terms and Conditions of Use and Why Your Costs May Vary sections for further information regarding cost estimates. Refer to your health plan coverage document for information regarding your specific benefits.

This communication is not intended as legal or tax advice. Please contact a competent legal or tax professional for personal advice on eligibility, tax treatment and restrictions. Federal and state laws and regulations are subject to change.

For a complete description of the UnitedHealth Premium[®] designation program, including details on the methodology used, geographic availability, program limitations and medical specialties participating, please see myuhc.com[®].
